

HEBREW ii---"FAITH IS THE SUBSTANCE OF THINGS HOPE FOR, THE EVIDENCE OF THINGS NOT SEEN. THROUGH FAITH WE UNDERSTAND THAT THE WORLDS WERE FRAMED BY THE WORD OF GOD, SO THAT THINGS WHICH ARE SEEN, WERE NOT MADE OF THINGS WHICH DO APPEAR."

Faith leads us into the unseen, the unknown, that is unknown to the five senses. Faith can only be acquired by a mind that has been put in order through self discipline.

Faith cannot abide in a mind that HARBORS envy, greed, superstition, hatred, revenge, vanity, doubt, worry, or fear. When the mind has been cleared of negative mental attitudes, the power of Faith moves in and begins to take possession.

Science is based on the evidence of things seen. Faith is based on the evidence of things NOT SEEN. Both, then, are forms of deduction, and they differ only in the methods which they employ to gather their evidence. Science relies upon the rational or conscious mind. Faith relies upon the intuitive, or unconscious mind.

Faith is a state of mind that may become permanent only by ACTION. "FAITH WITHOUT WORKS IS DEAD."

Faith is a subconscious knowledge of Truth. We are eternal beings. Nature changes form, it does not destroy. So with absolute faith, you can look forward to a life of eternity. If you can look forward, you can also look into the past. Faith is the subconscious knowledge of rhythm which has been garnered throughout the many lifetimes, and now that Truth coming forth into the mind is brought forth as FAITH.

SUGGESTION

I AM IN TUNE WITH POSITIVE AND LOVING THOUGHTS AND I ATTRACT THEM TO ME LIKE A MAGNET. THE LIGHT THEY GENERATE REFILLS ALL OPPOSING THOUGHTS

I HAVE FAITH IN DIVINE LAW, AND INFINITE INTELLIGENCE. I KNOW THAT, AS I ALIGN MYSELF, MY THOUGHTS, WORDS AND DEEDS TO BE IN HARMONY WITH UNIVERSAL LAW, I AM LIFTED ABOVE THE DARK, NEGATIVE PULL OF THE WORLD RACE THOUGHT, AND I ABIDE IN LIGHT, TRUTH, PEACE AND LOVE.
